Draft template. Fees, timings and other college-specific details marked ____ must be confirmed and filled in by the college administration. In case of any conflict, the rules of the Indian Nursing Council (INC), Maharashtra Nursing Council, the affiliating University and the Government of Maharashtra prevail.

1. Admission Conditions and Documents

Admission to the college is provisional until all original documents are verified and all eligibility conditions are met as per INC, University and State CET Cell norms. Every admitted student must read and follow the rules in this booklet throughout the course.

1.1 Documents to be submitted at admission

- Admission allotment letter / CAP round allotment (where applicable) and admission form
- SSC (10th) and HSC (12th) mark sheets and passing certificates, with school leaving / transfer certificate
- Migration certificate (if applicable) and eligibility certificate from the University
- Caste certificate and validity, non-creamy layer or income certificate (where applicable)
- Domicile / nationality certificate and Aadhaar card copy
- Medical fitness certificate from a registered medical practitioner
- Recent passport size photographs (as specified) and a bank account passbook copy for scholarship purposes

1.2 Verification and cancellation

Original documents will be verified by the college. If any certificate, mark sheet or declaration is found to be false, forged or inconsistent at any time, the admission will be cancelled immediately and the matter may be reported to the competent authority. No fee will be refunded in such cases.

1.3 Fee payment

- Tuition and other fees must be paid on or before the due dates notified by the college: Tuition fee Rs. _____, Hostel fee Rs. _____, Other charges Rs. _____.
- Fees are to be paid through online or bank transfer mode only. The student must submit the transaction receipt to the accounts section and collect the college receipt. Keep the receipt safely.
- Late payment may attract a fine as decided by the college management.
- Refund or withdrawal of admission is governed by the rules of the University, State CET Cell and Government of Maharashtra in force at the time.
- A student who discontinues the course must clear all dues and collect original documents only after obtaining a no-dues certificate.

1.4 Health and immunisation

Students must complete the immunisation required for clinical work (for example Hepatitis B) as advised by the college before starting hospital postings, and must inform the college of any health condition that may affect clinical duties.

2. Attendance and Leave

Regular attendance is mandatory. Nursing is a professional programme in which both classroom learning and clinical practice are required for eligibility to appear in University examinations.

2.1 Minimum attendance

- Attendance requirements follow INC and University norms: generally a minimum of 80% in theory and 100% in practical / clinical hours for each subject, with any shortfall in practical to be made up as per University rules. Students should confirm the current norms with the college office.
- A student who does not meet the attendance requirement may not be permitted to appear in the University examination.
- Attendance is recorded daily in every class, laboratory and clinical posting. Marking attendance for another student is a serious offence.

2.2 Timings

- College hours: _____ to _____. Students must be present on campus before the start of the first session.
- Clinical posting hours and shift timings are as allotted by the college for each hospital or department (morning / evening / night, where applicable).
- Late arrival beyond ____ minutes will be treated as absence for that session.

2.3 Leave

- Leave must be applied for in writing, in advance, on the prescribed form, and approved by the class coordinator and the Principal.
- In case of sudden illness or emergency, the parent or guardian must inform the college on the same day, and the leave application must be submitted on the day of return.
- Medical leave of more than three days must be supported by a medical certificate from a registered practitioner.
- Leave does not remove the student's responsibility to complete the missed theory and clinical hours.
- Students must not leave the campus or hospital during working hours without written permission.

2.4 Absence without permission

Unauthorised absence for a continuous period of ____ days may lead to a notice to the parent or guardian, a fine, and, in repeated cases, removal of the student's name from the rolls as per University rules.

3. Dress Code, Identity and Personal Conduct

Nursing students represent the profession and the college at all times. Appearance and behaviour affect patient trust and care.

3.1 Uniform and appearance

- The prescribed uniform, white coat or apron and name badge must be worn during theory classes, practicals, hospital duty and community postings, as notified for each year of study.
- Clothes must be clean, neat and ironed. Shoes or footwear must be as prescribed; clinical footwear should be closed and non-slip.
- Hair must be neatly tied and kept off the face and collar during clinical duty. Nails must be short and clean, with no nail polish or artificial nails.
- Jewellery should be minimal. Rings with stones, bangles, long earrings and anything that could injure patients or carry infection must not be worn in clinical areas.
- Casual or revealing clothing is not allowed on the college campus on working days.

3.2 Identity card

Every student must wear the identity card issued by the college at all times on campus and in hospital. A lost card must be reported immediately and a duplicate obtained on payment of the prescribed charge.

3.3 Personal and professional conduct

- Be respectful to the Principal, faculty, staff, hospital personnel, patients, visitors and fellow students.
- Speak and behave with courtesy and discipline. Abusive language, quarrels, bullying and disrespect to any person are prohibited.
- Invasion of another student's privacy, including taking or sharing photographs or videos without consent, is a serious offence.
- Smoking, chewing tobacco, alcohol, drugs and other intoxicating substances are strictly prohibited on campus, in the hostel and in hospital premises.
- Students must not engage in political activity, fundraising or commercial activity on campus without written permission.
- Students must not be enrolled in any other full-time course or take up outside employment during the programme.
- Willful damage to college, hostel or hospital property will be treated as a breach of discipline and the cost of damage will be recovered from the student.
- Students must keep the campus clean and take part in co-curricular, health-awareness and community activities organised by the college.

4. Classroom, Library, Laboratory and Mobile Phone Rules

4.1 Classroom

- Students must be seated before the teacher arrives and must maintain silence and order during lectures.
- Leaving the classroom during a lecture requires the teacher's permission.
- Eating, sleeping and unrelated activity in the classroom are not allowed.
- Notices on the notice board and official messages on the class group are considered to have been communicated to all students.

4.2 Library and reading room

- Silence must be maintained in the library and reading room. Bags, food and drinks are not permitted inside.
- Library books are issued against the library card for the period stated by the librarian. Late return will attract a fine.
- Books, journals and reference material must not be marked, torn or removed without issue. Loss or damage must be reported and compensated.
- Violation of library rules may result in suspension of library privileges.

4.3 Nursing foundation, skills and science laboratories

- Students may use laboratories only in the presence of the teacher or lab in-charge.
- Mannequins, models, instruments and equipment must be handled carefully and returned to their place after practice.
- Standard infection-control practice (hand hygiene, safe disposal of sharps and waste) must be followed during practice.
- Breakage or loss of equipment must be reported immediately.

4.4 Mobile phones and electronic devices

- Mobile phones must be switched off or kept on silent and must not be used in classrooms, laboratories, library and during clinical duty, except with the teacher's permission for academic use.
- Use of phones for photographing patients, patient records, or examination material is strictly prohibited.
- A phone found in use against these rules may be confiscated and returned to the parent or guardian.
- Students must use social media responsibly and must not post anything that harms the reputation of the college, staff, students, hospital or patients.

5. Clinical Posting and Hospital Rules

Clinical training takes place in affiliated hospitals and community areas. Patient safety, dignity and confidentiality come first. Students are guests in these institutions and must follow both the college and the hospital rules.

5.1 General rules

- Report on time to the allotted ward or unit in the full prescribed uniform with the ID card and any required equipment (watch, stethoscope, notebook).
- Work only under the supervision of the clinical instructor, ward in-charge or assigned staff. Never perform a procedure you have not been trained and cleared to do.
- Do not leave the ward or department without informing the clinical instructor or ward in-charge.
- Do not take on the responsibilities of staff nurses or doctors, and do not give medicines or treatment without proper authorisation and supervision.
- Maintain complete records of assignments, procedures and care studies as required and submit them on time.

5.2 Patient confidentiality and ethics

- Keep all patient information confidential. Do not discuss patients outside the clinical setting or on social media.
- Treat every patient with respect and without discrimination on the basis of religion, caste, gender, age, illness or economic status.
- Obtain consent and provide privacy before any procedure. Follow the code of professional conduct for nurses.

5.3 Infection control and safety

- Follow hand hygiene, use personal protective equipment and dispose of biomedical waste and sharps in the proper containers.
- In case of a needle-stick or sharps injury or any exposure to blood or body fluids, wash the area immediately, report to the clinical instructor and the designated person at once, and follow the hospital's post-exposure procedure.
- Report any illness, infection or injury so that appropriate care and replacement of duty can be arranged.

5.4 Night duty and community postings

- Night duty, if assigned as per curriculum, will be done in groups with proper supervision. Students must not be alone in isolated areas.
- In community and rural postings, students must follow the instructions of the supervising faculty and respect local customs.

6. Hostel Rules and Anti-Ragging Policy

6.1 Hostel rules (for students residing in the hostel)

- Admission to the hostel is subject to availability, payment of hostel fees and a signed undertaking by the student and parent or guardian.
- Students must return to the hostel by _____ pm and must not leave the hostel premises without the warden's written permission. Late entry must be reported to the warden.
- Visitors are permitted only in the visitors' room at the times set by the warden. Male visitors are not allowed in the residential area.
- Students must not keep cash, jewellery or other valuables in the rooms. The college is not responsible for loss of personal property.
- Electrical appliances such as heaters and irons require the warden's approval. Cooking in rooms and any use of open flame is prohibited.
- Rooms and common areas must be kept clean. Room inspection may be carried out by the warden at any time.
- Silence must be maintained during study hours and after _____ pm.
- Parents or guardians must give prior written notice for any local guardian, weekend outing or visit home.

6.2 Anti-ragging policy

Ragging in any form is a criminal offence and is strictly prohibited as per the directions of the Hon'ble Supreme Court of India, the UGC regulations on curbing ragging, and Maharashtra law. Ragging includes any conduct that causes or is likely to cause physical or psychological harm, teasing, abuse, humiliation, forced acts or performance, or any act that creates fear or embarrassment in a fresher.

- Ragging may lead to expulsion, suspension, withholding of results, cancellation of hostel admission, and registration of a police case.
- Seniors must help freshers adjust to the college environment and must not insult or harass them.
- Every student and parent must submit the anti-ragging affidavit or undertaking at the time of admission.
- Complaints can be made to the Principal, the Anti-Ragging Committee or the Squad, or through the National Anti-Ragging Helpline (toll-free 1800-180-5522).

6.3 Prevention of harassment

The college does not tolerate sexual harassment, bullying or discrimination of any kind. An Internal Complaints Committee operates as per law. All complaints will be handled confidentially, and no student will be victimised for making a complaint in good faith.

7. Examinations, Discipline and Grievance Redressal

7.1 Examinations and assessment

- Internal assessments, preliminary exams and University exams are conducted as per the University and INC schedule. Students must attend all internal assessments.
- Eligibility to appear for the University examination depends on attendance, completion of clinical requirements and records, and satisfactory internal assessment.
- Use of unfair means in any examination, including copying, impersonation, carrying notes or electronic devices, will lead to action as per University rules.
- Students must carry the hall ticket and ID card to every exam. Examination fee must be paid by the due date.
- Requests for revaluation or verification must be made as per the University procedure.

7.2 Disciplinary action

Any violation of these rules will be dealt with by the Principal and the Disciplinary Committee. Depending on the seriousness of the offence, action may include:

- Verbal warning or written warning, with intimation to parent or guardian
- Fine or recovery of cost of damage
- Suspension from classes, clinical posting or hostel
- Withholding of exam eligibility, certificates or results
- Rustication or expulsion from the college and, where applicable, reporting to the University, Nursing Council or police

Strikes, boycotting of classes or clinical duty, and any activity that damages the reputation of the college are prohibited and will be treated as serious breaches of discipline.

7.3 Grievance redressal

- Complaint boxes are placed in the college and hostel. Students may also submit a written complaint to the class coordinator or the Principal.
- A Grievance Redressal Committee reviews complaints and aims to respond within ____ working days.
- Students who are not satisfied with the decision may appeal to the Principal and, if needed, to the Management or the University as applicable.
- Students are encouraged to resolve issues through discussion; complaints will be handled fairly and confidentially.

7.4 Amendment of rules

The college may amend, add or withdraw any rule in this booklet whenever required by the institution, INC, the University or the Government. Revised rules will be notified on the notice board and will be binding on all students.

8. Student Undertaking

To be signed by the student and parent or guardian at the time of admission and kept in the student's file.
